

GizmoX

is proud to recognize

Bogdan Zamfir

As a **Most Valuable Professional**

You have demonstrated a high level of contribution to the Visual WebGui community. We are impressed by your strong technical skills and by your willingness to share your knowledge with other community members. You have shown excellent volunteer spirit and commitment to assist other Visual WebGui developers.

As a token of our appreciation we are glad to grant you a free Commercial Forums access which provides our enterprise-grade support.

Thank You!
